Character is the greatest investment any of us can make. No matter what our situation or station in life, great character makes us positive influences to others and ourselves. But to build character, we need the humility to ask God for his help.

Our limitations and pains can serve as reminders to ask God for help and build character. This was certainly the case with Saint André Bessette.

Saint André Bessette was orphaned at age twelve, suffered from a debilitating stomach illness that made it difficult to secure any job, and was initially rejected by the order he wanted to join: the Congregation of Holy Cross.

Holy Cross later accepted him into their order as a lay brother and allowed him to be a doorkeeper at Notre Dame College in Montreal. He humbly accepted the role and served in it for over forty years. It would have been easy for André to become bitter at his seemingly menial job as a doorkeeper, but he did not. Instead, he transformed it into a way of positively impacting thousands of people over his life. The key to this transformation was character.

André asked for God's help in building his character, and God responded by working miracles through him. André welcomed visitors with such warmth and love that many were drawn to Notre Dame College just to see him. He cared for the sick in the college, and often anointed them with oil from a lamp in the college chapel. Many people reported miraculous healings from his loving touch.

Who would have thought the humble doorkeeper would be God's instrument to work such wonders? Yet it is precisely when our character is built of humility and love that God is able to work miracles.

Prayer for Epiphany

Dear Jesus, as You led the Three Kings to You by the light of a star, please draw us ever closer to You by the light of Faith. Help us to desire You as ardently as they did. Give us the grace to overcome all the obstacles that keep us far from You. May we, like them, have something to give You when we appear before You. — Amen

Our Parish Mission — 'Nuestra Señora de La Luz' (Our Lady of the Light) is a community that comes together to model Jesus to all peoples by addressing physical concerns and spiritual matters, and to do as Jesus did, giving everything to bring people into a closer relationship with God, in celebration.
